Community Guidelines

We introduce you to people who have a common interest. However, we also recognize that we are introducing strangers on this platform. We hope that you will develop a long term, fruitful relationship. However, we recognize that not everybody acts in good faith. We direct you to use your own best practices and common sense. Be safe.

Unacceptable Behavior:

Harassment

Do not engage or encourage others to engage in any abusive or harassing behaviour.

Violence and Physical Harm

We do not tolerate violent, graphic, or gory content on MyGardensSpot system, or any actions or content that advocate for or threaten violence of any sort. Any acts of verbal, written or physical abuse as judged by an administrator of this site will lead to removal from this community.

In some situations, the administration may assist community members by contacting local resources.

Hate Speech

Any content that promotes, advocates for, or condones racism, bigotry, hatred, or violence against individuals or groups based on factors like (but not limited to) race, ethnicity, religious affiliation, disability, gender, age, national origin, sexual orientation, or gender identity is not allowed.

Private Information

Don't publicly broadcast any private information, yours or anyone else's. This includes social security numbers, passports, passwords, financial information or unlisted contact information, such as phone numbers, email addresses, home/work address.

Spam

Don't be fake. Be real instead. Don't use the *MyGardensSpot* app to drive people to external websites via a link or otherwise.

Promotion or Solicitation

Soliciting other users is prohibited on MyGardensSpot app. It's fine to invite your matches to something that you're doing, but don't advertise your event, business, non-profit, political campaign, contest, or to conduct research. We may delete your account.

Scamming

MyGardensSpot has a zero-tolerance policy on predatory behavior of any kind. Anyone attempting to get other users' private information for fraudulent or illegal activity will be banned. Any user caught sharing their own financial account information (PayPal, Venmo, etc.) for the purpose of receiving money from other users may also be banned from MyGardensSpot app.

Impersonation

Be yourself! Don't pretend to be someone else.

Do not impersonate, or misrepresent affiliation, connection or association with any person or

entity.

Copyright and Trademark Infringement

If it's not yours, don't post it. If your MyGardensSpot profile includes any work that is copyrighted or trademarked by others, don't display it, unless you are allowed to do so.

Illegal Usage

Don't use MyGardensSpot app to do anything illegal. If it's illegal In Real Life, it's illegal on MyGardensSpot.

One Person, One Account

MyGardensSpot app accounts cannot have multiple owners.

As a Gardener – you can have multiple spots.

As a Host – You can create more than one account. Separate properties would benefit separate accounts.

Gardening-focused

This is a site for matching gardeners with garden space. It is not a dating site. Any material related to dating, explicit sexual or similar material will get your account removed.

Sanity and Good Will

This business is only for introducing hosts and gardeners. AS with any matchmaking site, what happens after the initial match is between the two parties involved. The only reason for removal of a host's account before subscription expires is the abuse of that account. This is the same for gardeners who are not time limited. If action has been taken by the administration to remove an account, we will listen to only one personal appeal. Make it good because we are in the business of helping people. Any decision after that appeal will be final.
